REPLY UNDER 37 C.F.R. §1.115

Honorable Assistant Commissioner of Patents and Trademarks Mail Stop Fee Amendment PO Box 1450 Alexandria, VA 22313-1450

Sir:

In response to the Final Office Action dated Aug. 19, 2004, a petiton for extenson of time for 1 month, and fee authorization accompanies this reply. Applicants present amendments canceling claims and placing others in condition for allowance. No new issues are raised.

Claim Status

Originally filed claims 1 and 3-48 were pending.

Claim 2 is canceled.

Claims 11, and 12, rejected, are amended to correct dependencies.

Claims 29 and 47 are canceled below in response to an objection.

Applicants believe that claims 3 and 30 do further limit claims 1 and 27, respectively, in that the term in claims 1, and 27 is "organic coating forming component". This term "component" encompasses more than "compounds"
